

# Neuro-Endocrine & Anti-Aging Regulation Certification

**August 4-5, 2012 • Irvine, CA**

**MODULE 1:** This module includes the entire audio-set of the seminar presentation. You receive Audio CD's on NeuroEndocrine & Anti-Aging Regulation and Lowering the Biological Age and a CD of the actual Powerpoint. After this module is complete, you would be eligible for Module 2 below.

**MODULE 2:** This residential class includes two-days of hands-on advanced NeuroPhysical Testing. The technique includes therapy localization; finding the cause of any illness including dental testing. Due to this intensive module, it is not recorded.

**These two days will include your hardcopy workbook and Q & A.**

**Note:** There is a 10% product discount at the event for attendees only. Our products are non-GMO, no fillers, binders, excipients, radiation, or flow agents.
