Continuing Education Trainings

CET's are offered in any of the following circumstances.

- Only in subjects licensees are required to take as a condition to continue licensure, and solely for that purpose.
- Only in subjects necessary to continue to practice or work in an occupation or profession such as law or medicine, and that are offered solely for that purpose.
- To persons who are already in a particular profession, trade, or job category for the sole purpose of enhancing their skills or knowledge within that particular profession, trade, or job category.

Textbooks

Please see information under Tuition.

Transportation, Room & Board

Not included. We will provide shuttle and hotel information upon request. Average room rate in Santa Barbara depends on the season. Typical room rates go from \$69.00 to \$150.00 per night.

Payment Schedule

Students are required to pay for the full program at the time of registration. A tuition-financing program is available.

Registration Fees

Registration fees are charged for the purpose of establishing and maintaining a student file. Registration fees must accompany the Application for Admissions. Applications received without the required fee will not be processed. A separate registration fee is required for each program. Registration Fees are Non-Refundable. Students who have completed one program and are applying to an additional program will be charged an additional registration fee.

Late Registration Fee

A late application fee of \$50.00 applies when a student's application materials, including official transcripts and letters of recommendation, are not received 30 days before residential classes start.

Note: The International College of Naturopathy reserves the right to make any changes in tuition, refund policies, fees, and expenses without notice, within statutory guidelines.

Students Loans

To assist I.C.N. students in paying their education, a student loan program is in place for payment of tuition. A \$40.00 credit report fee is mandatory and is **not** refundable if your credit application is not approved.

SallieMae Financing is available for programs:

www.slmfinancial.com

Call Registrar for information and pricing on optional equipment for the Naturopathic Practitioner Training, Lymph Detoxification Class. You are responsible for payment of the loan. If you get a student loan, you are responsible for repaying the loan amount plus any interest.

Student Disclosures

For Continuing Education Trainings, any written contract or agreement signed by a prospective student shall not become operative until the student attends the first class or session of instruction.

Employer Assistance with Tuition

Many employers underwrite programs to assist employees with their education expenses. I.C.N. encourages students to seek educational assistance from their employer. The College will gladly prepare any reports or other information necessary to meet the requirements of such programs.

Scholarships

NO scholarships funds are available.

Cancellation Period

The cancellation period is considered up to and including the first day of the residential classes. The cancellation period for the online classes is up to the creation and advice of a password for each course. All requests for cancellations must be submitted in writing to the Dean, Theresa Dale at I.C.N.'s mailing address.

Refund Policy

Refund During Cancellation Period: The school shall refund 100% of the amount paid less a reasonable deposit or application fee not to exceed \$100.00, if notice is made before or on the first day of residential instruction. **For online only classes, once a password has been issued, the class and/or lesson is accepted and NO refund will apply.** The International College of Naturopathy's web site is located at www.wellnesscenter.net.

Refund After Cancellation Period: If a student withdraws from their course after the cancellation period, the student is entitled to only a partial refund. The refund policy is pro rata to the 60 percent point of the course. The formula is as follows:

Total Amount Actually Paid for Lessons taken
minus the Registration Fee of \$100.00
= Adjusted Amount

(Includes all fees and instruction, but no equipment)

Adjusted Amount X Lessons not received but for which the student has paid
= Final Refund Amount

All refunds will be paid within 30 days of cancellation or withdrawal.

Cancellation Refund Example:

A student enrolls in the Naturopathic Practitioner Program and pays total tuition including a \$100 registration fee. The student cancels on the first day of class. The student’s refund would be total tuition minus the \$100.00 registration fee. The \$100.00 registration fee is non-refundable.

Withdrawal Refund Example:

A student enrolls in the Naturopathic Practitioner Program and pays \$8,300.00, including a \$100 registration fee. The student withdraws after completing 75 percent of the course. The student would not receive a refund, because he or she has completed over 60 percent of the program. On the other hand, if the student has paid total tuition of \$8,300.00 (including the \$100.00 registration fee) completes 50% of the training and wants to withdraw from the training – they would receive a refund for the lessons that they did not take or receive a password for. All cancellations and requests for refunds must be submitted to the school office in writing.

Student Tuition Recovery Fund

The Students Tuition Recovery Fund (“STRF”) was established by the Legislature to protect any California resident who attends a private postsecondary institution from losing money if they prepaid tuition and suffer a financial loss as a result of the school closing, failing to live up to its enrollment agreement, or refusing to pay a court judgment.

To be eligible for STRF, you must be a California resident and reside in California at the time the enrollment agreement is signed or when you receive lessons at a California mailing address from an approved institution offering correspondence instruction. Students who are temporarily residing in California for the sole purpose of pursuing an education, specifically those who hold student visas, are not considered California residents for this purpose.

To qualify for STRF reimbursement you must file a STRF application within one year of receiving notice from the Bureau that the school is closed. If you do not receive notice from the Bureau, you have four years from the date of closure to file a STRF application. If a judgment is

obtained you must file a STRF application within two years of the final judgment. It is important that you keep copies of the enrollment agreement, financial aid papers, receipts or any other information that documents the moneys paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary and Vocational Education, 400 R Street, Fifth Floor, Sacramento, CA 95814-3517, (916) 445-3427.

Students enrolled in the Registered courses for Continuing Education Units and Short-Term Career Training are *not* eligible for recovery from the Student Tuition Recovery Fund.

Student Complaints

The Registrar, Rachel F. Salanda, (800-421-5027), will be responsible for resolving any student complaints. If problems are not resolved by the Registrar, you may email Theresa Dale at 4joy@earthlink.net. Otherwise, students who have questions or problems concerning this school should contact the Bureau for Private Postsecondary and Vocational Education, 400 R Street, Fifth Floor, Sacramento, CA 95814, (916) 445-3427.

Job Assistance Program

The International College of Naturopathy does not promise students employment in this field. However, the institution does intend to promote the services offered by all graduates by offering referrals to inquiries.

Student Conduct

A student who does not behave in a professional manner in class will be suspended. If the student does not correct the situation, he or she will be dismissed.

Student Services

Vocational Trainings: Holistic Health Practitioner, Naturopathic Practitioner Training, Integrative Wellness Consultant, and Nutraceutical Consultant offers academic advisement at no charge, which will be provided through email at www.wellnesscenter.net.

Rules of Operation

The institution will remain in operation as long as the citizens of the State of California and of the United States demonstrate a need and growing desire to pursue self-development. Students from all communities will be served without prejudice as to color, race, or creed. Any student who wants to serve their community will have an opportunity to do so by earning the title Holistic Health Practitioner, Naturopathic Practitioner or Nutraceutical Consultant. The institution will maintain records for at least five years. The institution does not provide English-as-a-Second Language instruction.
