

Nano Minerals

Magnesium

Liquid
Concentrate

2oz / 60 ml

Dr. Dale's Magnesium: Is essential for normal heart function, nerve impulse transmission, muscle relaxation and calcium management. Symptoms of deficiency include muscle cramps, headache, and fatigue.

Take the guesswork out of supplements: Dr. Dale's uses a proprietary process that transforms pure mineral crystals into a fully hydrated, 100% bioavailable liquid ionic supplement
• easy to swallow • gentle on the stomach • made in the USA and quality tested to assure safety and potency • No additives or sweeteners.

The Dr. Dale's difference: Large doses are used in solid supplements because most of the mineral is not absorbed. Dr. Dale's minerals are 100% bioavailable. It is not necessary to take large doses in order to be effective.

Suggested Use: 30 drops (2ml)
in 8 oz of juice or water.
Shake well before use.
