

REFUSAL OF IMMUNIZATION For Medical Reasons

As the physician of:

Child's Last Name	First Name	Age
/ /	School	Grade
Birth Date (mm/dd/yyyy)	School	Grade

I have elected to not immunize this student against the following disease(s):

§ Each disease for which a vaccine has not been administered must be checked. Parent / guardian must submit dates of immunization for all other diseases.

- Diphtheria
- Tetanus
- Pertussis
- Polio
- Measles (Rubeola)
- Mumps
- Rubella (German Measles).....
- Hepatitis B.....
- Varicella
- Pneumococcal Conjugate.....
- HIB (Haemophilus Influenzae Type b)

In my opinion, this immunization would be injurious to the health and well-being of :

- The student
- A member of the student's household or family
