

Nano Minerals

Bone

Liquid
Concentrate

2oz. / 60 ml

Dr. Dale's Bone formula: gives you all the essential bone nutrients including Silica, which helps form the collagen matrix and manages calcium. Bone is comprised of only 20% Calcium and other minerals in combination are essential for normal growth.*

Take the guesswork out of supplements: Dr. Dale's uses a proprietary process that transforms pure mineral crystals into a fully hydrated, 100% bioavailable liquid ionic supplement
• taste free • gentle on the stomach • made in the USA and quality tested to assure safety and potency
• No additives or sweeteners.

The Dr. Dale's difference: Large doses are used in solid supplements because most of the mineral is not absorbed. Dr. Dale's minerals are 100% bioavailable. It is not necessary to take large doses in order to be effective.

Suggested Use: 30 drops (2ml) in 8 oz of juice or water.
